Diana,

Forwarding this to you so you're aware that R1 will have a new ocean discharge permit application in the near future.

Charles

Subject: New Humboldt Bay Land-Based Aquaculture Facility

Hi Charles,

Big news up in Humboldt Bay that means someone in our office gets to write a discharge permit:

Massive New Fish Farm in the Works for
Samoa Peninsula; Harbor District
Expected to Bless Project Helmed by
Norwegian Firm at Special Meeting
Monday | Lost Coast Outpost | Humboldt
County

lostcoastoutpost.com

On Monday, a growing European aquaculture company will announce plans to build a massive fish farm at the Harbor District's Redwood Marine Terminal — the former Samoa pulp mill. Nordic ...
